Notice of Meeting Notes

The following notes explain your general rights as a registered shareholder and your right to attend, speak and vote at this Annual General Meeting (the 'Meeting') or to appoint someone else to do so on your behalf:

1. To be entitled to attend, speak and vote at the Meeting (and for the purpose of the determination by the Company of the number of votes they may cast), shareholders must be registered in the Register of Members of the Company at 8.00 p.m. on 24 June 2024. Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend, speak and vote at the Meeting.
2. Registered shareholders are entitled to appoint another person as a proxy to exercise all or part of their rights to attend, speak and vote on their behalf at the Meeting. A shareholder may appoint more than one proxy in relation to the Meeting, provided that each proxy is appointed to exercise the rights attached to a different ordinary share or ordinary shares held by that shareholder. A proxy need not be a shareholder of the Company.
3. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's Register of Members in respect of the joint holding (the first named being the most senior).
4. A vote 'withheld' is not a vote in law, which means that the vote will not be counted in the calculation of votes 'for' or 'against' the resolution. If no voting indication is given, your proxy will vote or abstain from voting at their discretion. Your proxy will vote (or abstain from voting) as they think fit in relation to any other matter which is put before the Meeting.
5. You can vote/appoint a proxy:
 - by logging on to www.signalshares.com and following the instructions;
 - LinkVote+ is a free app for smartphone and tablet provided by Link Group (the company's registrar). It offers shareholders the option to submit a proxy appointment quickly and easily online, as well as real-time access to their shareholding records. The app is available to download on both the Apple App Store and Google Play, or by scanning the relevant QR code below;

- if you are an institutional investor you may also be able to appoint a proxy electronically via the Proximity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proximity, please go to www.proximity.io. Your proxy must be lodged by 10.30 a.m. on 24 June 2024 in order to be considered valid or, if the Meeting is adjourned, by the time which is 48 hours before the time of the adjourned meeting. Before you can appoint a proxy via this process you will need to have agreed to Proximity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy. An electronic proxy appointment via the Proximity platform may be revoked completely by sending an authenticated message via the platform instructing the removal of your proxy vote;
 - by requesting a hard copy form of proxy directly from the Registrar by email at shareholderenquiries@linkgroup.co.uk or by phone on 0371 664 0300. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the UK will be charged at the applicable international rate. Lines are open between 9.00 a.m. to 5.30 p.m., Monday to Friday (excluding public holidays in England and Wales); or
 - in the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out below.
6. In order for a proxy appointment to be a valid, a proxy form, electronic filing, any CREST Proxy Instructions (as described in note 10 below) or appointing a proxy via Proximity must be completed. In each case so as to be received by Link Group by 2.30 p.m. on 24 June 2024 in accordance with these notes and the notes to the form of proxy.
 7. If you return more than one proxy appointment, either by paper or electronic communication, the appointment received last by Link Group before the latest time for the receipt of proxies will take precedence. Electronic communication facilities are open to all shareholders and those who use them will not be disadvantaged.
 8. The return of a completed proxy form, electronic filing, any CREST Proxy Instructions (as described in note 10 below) or appointing a proxy via Proximity will not prevent a shareholder from attending the Meeting and speaking and/or voting in person if they wish to do so.

9. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Meeting (and any adjournment of the Meeting) by using the procedures described in the CREST manual (available from www.euroclear.com). CREST personal members or other CREST sponsored members, and those CREST members who have appointed (a) voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
10. In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & International Limited's specifications, and must contain the information required for such instructions, as described in the CREST manual. The message must be transmitted so as to be received by the issuer's agent (ID RA10) by 10.30 a.m. on 24 June 2024. For this purpose, the time of receipt will be taken to mean the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
11. CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed (a) voting service provider(s)), to procure that their CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system provider(s) are referred, in particular, to those sections of the CREST manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
12. Any corporation which is a registered shareholder can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a registered shareholder, provided that no more than one corporate representative exercises powers in relation to the same share.
13. As at 29 April 2024 (being the latest practicable date prior to the publication of this document), the Company's ordinary issued share capital consisted of 360,042,104 ordinary shares, carrying one vote each, and 19,327,344 deferred shares, carrying no voting rights. Therefore, the total voting rights in the Company as at 29 April 2024 were 360,042,104.
14. You may not use any electronic address (within the meaning of section 333(4) of the Act) provided in either this Notice or any related documents (including the form of proxy) to communicate with the Company for any purposes other than those expressly stated.
15. Under the Articles, resolutions 1 to 9 set out in this Notice are ordinary business, and resolutions 10 to 11 are special business.

Explanation of Resolutions

Ordinary resolutions

Resolutions 1 to 9 are proposed as ordinary resolutions. Each of these resolutions will be passed if more than 50% of the votes cast (in person or by proxy) are cast in favour of it.

- a. **Resolution 1:** The Directors of the Company ('Directors') are required to present to shareholders at the AGM the audited accounts of the Company, the strategic report, and the reports of the Directors and auditor, for the year ended 31 December 2023.
- b. **Resolution 2:** The Directors' remuneration report is set out in the Company's Annual Report and Accounts for the year ended 31 December 2023. The vote is advisory and the Directors' entitlement to remuneration is not conditional on it.
- c. **Resolution 3:** The Company's Articles of Association require any Director appointed since the last AGM to retire and seek re-appointment. Shaun Chilton was appointed following the last AGM and will seek re-appointment at the AGM.
- d. **Resolutions 4, 5 and 6:** The Company's Articles of Association require one third of the Directors to retire from office each year (or, if their number is not a multiple of three, the number nearest to but not less than one-third). Paul Fry, Mark Goldberg and Tony Gardiner are each retiring by rotation and seeking re-appointment at the AGM.

Biographical information for all the Directors standing for re-election is included on page 46 of the Directors' report in the Company's Annual Report and Accounts. Having considered the performance of and contribution made by each of the Directors standing for re-election, the board of Directors (the 'Board') remains satisfied that, and the Chair confirms that, the performance of each Director continues to be effective and to demonstrate commitment to the role and as such the Board recommends their re-election.

- e. **Resolution 7:** Resolution 7 relates to the appointment of BDO LLP as the Company's Auditor to hold office until the next general meeting of the Company at which accounts are laid before the Company.
- f. **Resolution 8:** It is normal practice for shareholders to resolve at the AGM that the Audit Committee decides on the level of remuneration of the auditor for the audit work to be carried out by it in the next financial year. The amount of the remuneration paid to the auditor for the next financial year will be disclosed in the next audited annual accounts of the Company.
- g. **Resolution 9:** The Directors may only allot shares or grant rights over shares if authorised to do so by shareholders. The Investment Association ('IA') guidelines on authority to allot shares state that IA members will permit, and treat as routine, resolutions seeking authority to allot shares representing up to two-thirds of a company's issued share capital provided that any amount in excess of one-third of the company's issued share capital is applied to fully pre-emptive offers only (including open offers and rights issues). Accordingly, resolution 9, if passed, would authorise the Directors under section 551 of the Companies Act 2006 (the 'Act') to allot new shares or grant rights to subscribe for, or convert any security into, new shares (subject to shareholders' pre-emption rights (unless and to the extent disapplied)): (i) up to a maximum nominal amount of £12,001,000; and (ii) up to a maximum nominal amount of £24,002,000 (less the aggregate nominal amount of shares or rights granted under (i)) in connection with a fully pre-emptive offer, together representing the IA guideline limit of approximately two-thirds of the Company's issued ordinary share capital (excluding shares held in treasury) as at 29 April 2024, being the latest practicable date prior to the publication of this document. Passing this resolution will ensure that the Directors continue to have the flexibility to act in the best interests of shareholders, when opportunities arise, by issuing new shares or granting rights over shares. There are no current plans to issue new shares pursuant to this authority except in connection with employee share schemes.

Special resolutions

Resolutions 10 to 11 are special resolutions. Each of these resolutions will be passed if 75% or more of the votes cast (in person or by proxy) are cast in favour of it.

- h. Resolutions 10 and 11:** The Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the publication of this document (the 'Pre-Emption Principles') states that a general disapplication of pre-emption rights will likely be supported where a company seeks authority to issue non-pre-emptively for cash shares representing: (i) no more than 10% of its issued share capital on an unrestricted basis (being for any purpose); and (ii) no more than an additional 10% of its issued share capital to be used for an acquisition or a specified capital investment of a kind contemplated by the Pre-Emption Principles. In addition, the Pre-Emption Principles state that, in each case, a company may seek further authority to disapply pre-emption rights for up to 2% of its issued share capital to be used only for the purposes of a follow-on offer of a kind contemplated by paragraph 3 of Section 2B of the Pre-Emption Principles.

Resolution 10 contains a three-part disapplication of statutory pre-emption rights. Other than in connection with a fully pre-emptive offer, the power contained in resolution 10 would be limited to a maximum nominal amount of £4,320,500, which would equate to 43,205,000 ordinary shares in the capital of the Company, representing approximately 12% of the Company's issued share capital as at 29 April 2024, being the latest practicable date prior to the publication of this document. Of the £4,320,500, £720,000 can only be used for the purposes of making a follow-on offer.

Resolution 11 is a further disapplication of pre-emption rights limited to an additional 10% of issued ordinary share capital to be used for transactions which the Directors determine to be an acquisition or specified capital investment and a further 2% of issued ordinary share capital to be used for making a follow-on offer. This power would be limited to a maximum nominal amount of £4,320,500, which would equate to 43,205,000 ordinary shares in the capital of the Company, representing approximately 12% of the Company's issued share capital as at 29 April 2024, being the latest practicable date prior to the publication of this document. Of the £4,320,500, £720,000 can only be used for the purposes of making a follow-on offer.

If passed, these authorities will expire at the same time as the authority to allot shares given pursuant to resolution 9.
